I am heading there this morning to address.

Aaron explained that **Mr. Chisolm** discarded the left-overs from the line before the last half unit was in the chow hall. He then realized that there were more inmates to serve so he rinsed them off, reheated them in the oven and instructed the inmates to serve them. They refused, so he and **Miss Gibson** proceeded to serve them to the remaining inmates.

If this is the case I would like to dismiss them both for gross neglect. I have asked the facility for any camera footage they can provide.

Sieg
